

Position

Junior Professor of “Clinical Psychology and Experimental Psychopathology”

Main research interests

- Clinical and experimental studies on (dysfunctional) cognitive processes in emotional psychopathology
- Cognitive Bias Modification (CBM), e.g., CBM Appraisal and Interpretation training
- Anxiety disorders (posttraumatic stress disorder, panic disorder, social anxiety) and depression
- Psychophysiological and neuronal mechanisms underlying dysfunctional cognitive processes

Vitae

Education

- | | |
|-------------|---|
| 2015 – 2020 | Licensed Psychotherapist in Cognitive-Behavioral Therapy (CBT),
Forschungs- und Behandlungszentrum für psychische Gesundheit,
Ruhr-Universität Bochum, Germany |
| 2008 – 2013 | Ph.D. in Social Sciences (Supervisors: Prof. Dr. E.S. Becker, Prof. Dr.
M. Rinck) at Behavioural Science Institute, Radboud University
Nijmegen, Nijmegen, The Netherlands.
Ph.D thesis: “Dysfunctional Automatic Associations and Interpretation
in Psychopathology” (cum laude, i.e., highest possible distinction for a
Ph.D in the Netherlands). |
| 2006 - 2008 | Master of Behavioural Sciences (cum laude), Behavioural Science
Institute, Radboud University Nijmegen, Nijmegen, The Netherlands |
| 2003 – 2006 | Bachelor Clinical Psychology (cum laude), Radboud University
Nijmegen, Nijmegen, The Netherlands |
| 1999 - 2003 | Bachelor Social Work (cum laude), Hogeschool Arnhem & Nijmegen,
Nijmegen, The Netherlands |

Professional experience

- Present Junior Professor of “Clinical Psychology and Experimental Psychopathology”
- 2017 – Present CBT Psychotherapist at the Forschungs- und Behandlungszentrum für psychische Gesundheit (FBZ), Ruhr-Universität Bochum, Germany
- 2013 – 2021 Postdoctoral Research Fellow with Humboldt-Professor J. Margraf, Center for the Study and Treatment of Mental Health, Ruhr University Bochum, Germany
- Docent at the Faculty of Psychology, Ruhr University Bochum, Germany
- Parental leaves: 24.12.2015 – 31.09.2016 and 19.10.2017 – 21.09.2019
- 2008 – 2013 Docent at Behavioural Science Institute, Radboud University Nijmegen, Nijmegen, The Netherlands
- 2005 – 2008 Research assistant to Prof. Dr. E.S. Becker and Dr. M. Rinck at Behavioural Science Institute, Radboud University Nijmegen, Nijmegen, The Netherlands
- 2004 – 2006 Teaching assistant for Methods & Statistics to Dr. J. Ellis, Radboud University Nijmegen, Nijmegen, The Netherlands
- 2002 – 2008 Social worker at the Child and Youth Psychiatry ‘Herlaarhof’, Rainier van Arkel Stichting, ‘s- Hertogenbosch

International research visits

- 2013 Visiting PhD student for 3 months at Harvard University (Cambridge, MA, USA) in collaboration with Prof. Dr. Richard McNally
- 2010 Visiting PhD student for 6 months at the University of Western Australia (UWA, Perth, Australia) in collaboration with Prof. Dr. Colin MacLeod
- 2007 – 2008 Research internship with Prof. Dr. Emily A. Holmes (University of Oxford, UK) and Dr. Bundy Mackintosh (University of East Anglia, Norwich, UK)

Research team

Postdoc

08/21 – present Dr. Fanny Dietel: The role of computerized interpretation training as treatment adjunct in social anxiety disorder (Emmy Noether project), Ruhr University Bochum

PhDs

09/21 – present M.Sc. Annalisa Lipp: The effects of contingency instructions (CI) on fear extinction and extinction retrieval in patients with anxiety disorders and healthy controls (SFB project), Ruhr University Bochum (2nd supervisor)

09/21 – present M.Sc. Beray Macit: The effects of CBM-contingency training on coping ability, therapy outcome, and generalization of therapeutic effects (SFB project), Ruhr University Bochum

09/21 – present M.Sc. Marius Kunna: The underlying mechanisms of computerized interpretation training in the context of social anxiety (Emmy Noether project), Ruhr University Bochum

03/21 – present M.Sc. Maren Schlimm: Positivity-AAT-Training as treatment adjunct in depression, Radboud University Nijmegen, NL (2nd supervisor)

01/21 – present M.Sc. Peter Hähner: Perception of major life events and its effects on personality and mental health, Ruhr University Bochum (2nd supervisor)

01/21 – present M.Sc. Antonia Döring: Positive cognitions and posttraumatic stress symptoms, Ruhr University Bochum

02/19 – present M.Sc. Alexandra Kroj: Influence of imagery and verbalization on intrusive memories, Ruhr University Bochum

12/19 – present M.Sc. Felix Würtz: Different pathways to PTSD and depression after trauma – a matter of interpretation, Ruhr University Bochum

02/17 – 07/20 Dr. Lisa Zahler: Indirect assessment of interpretation bias in panic disorder and female sexual dysfunction: Psychometric properties and implications for theory, Ruhr University Bochum

Awards & Grants & Prizes

2021 Principal Investigator of a project within the SFB 1280 "Extinction Learning" awarded by the Deutsche Forschungsgemeinschaft (DFG). Project title: "The impact of modification of stimulus-outcome contingencies on extinction and exposure in anxiety disorders."

- 2020 Emmy Noether Stipend and Principal Investigator of an Emmy Noether Research Group, awarded by the Deutsche Forschungsgemeinschaft (DFG). Project title: "Mechanisms of interpretation biases in anxiety – bridging experimental investigation and clinical translation."
- 2018 APS Rising Star (Association for Psychological Science)
- 2017, 2014 Travel Scholarships by the German Academic Exchange Service (DAAD)
- 2016 Research grant awarded by the Deutsche Forschungsgemeinschaft (DFG): Project title: "The role of dysfunctional associations and interpretations in panic disorder: An etiological approach."
- 2015 Selected as a member of the Global Young Faculty (Mercator Research Centre Ruhr)
- Postdoctoral Scholarship awarded by the Daimler and Benz Foundation. Project title: "Improving outcomes of cognitive behavioural therapy for posttraumatic stress disorder via augmentation with computerized appraisal training."
- 2012 *Elisabeth Frye Stipendium*, an annual award of the Radboud University Nijmegen which is given to the most promising and talented female PhD-students of that year
- 2011 Travel Scholarship by the European Foundation for Alcohol Research (ERAP)
- 2010 *Prins Bernhard Cultuurfonds* award to finance my research visit in Australia
- 2008 Best Master thesis of the Behavioural Science Research Master Program
- 2007 *Huygens Scholarship Program Talent Grant* to finance my research internship in the United Kingdom
